

Reindeer Food

**Thank you, reindeer,
for guiding the sleigh.
Here's a treat, to help you
on your way!**

Wildlife-Friendly Reindeer Food Mix:

With all the houses they must visit on Christmas Eve, Rudolph and his team get very hungry!

With just a few simple ingredients, you can create a delicious treat that will help the reindeer power through their long night helping Father Christmas to deliver presents.

Follow our simple recipe for reindeer food that's suitable for Rudolph (and the birds and squirrels too!).

.....

Ingredients:

1. A handful of wild bird seed
2. A handful of porridge oats
3. A small handful of dried cranberries
4. A handful of breadcrumbs
5. A pinch of magic!

Add the ingredients into a large bowl and mix together.

Place into a sealed container and store in a cool dry place.

On Christmas Eve night, sprinkle on your lawn before you go to bed.
